Gymnastics Classes:

*All Gymnastics students need to wear attire that is not too loose but flexible for movement such as splits and bridges. T-shirts must be tucked in and not rise up to show belly. No shoes, only bare feet in class to prevent slipping.

Dancers and Parents

Pre-Dance, Pre-Support and Support may continue to wear their previous class leotard and skirts until you need to buy a new one. Remember, Support will be wearing the new leotard for pictures and Recital.

Apprentice and Company you will all need to buy the new class leotard, the colors and styles have changed. You may wear your black skirt and black leotard that you have, until you need a new one.

Goldsboro Ballet dancers should be prepared to have the new leotards for Love of Dance. We know at this time that Support, Apprentice and Company will need them for Love of Dance.

You are receiving a 10% off coupon for online orders, this is only good until July 31, 2018.

We are not going to allow shorts of any kind during Jazz or Tap class, as this is hindering their technique. Dancers will be asked to remove them before class starts, they may wear black tights or leggings during Jazz.

Please be sure to read through your class level paperwork, required items are noted. We do have a couple optional choices for Ballet, Tap and Jazz shoes. You can buy them online through Curtain Call or buy them where you have before. We will have shoe sizing kits available to try on during July camps. We are offering up some choices for Director approved warm up gear, leggings, shirts, jackets and pants. Some of these may be personalized with the dancer's name and the Studio logo. The warm-up gear may be worn to and from the studio and theater, or at the beginning of rehearsals until warm. They will not be allowed during technique classes.
