

STUDIO RULES

-Dancers should wear cover ups coming and going from class to their cars. Dancers should arrive in street shoes and change in to their dance shoes in the lobby/dressing room area. Dance shoes should not be worn outside.

-Dancers should be dropped off and picked up promptly and on time. Teachers will escort them from the door to the dance room and then return them to you outside at the conclusion of class. The teachers do have additional classes to teach, so picking up on time is essential. Should you arrive late, text 919.778.0888 and a teacher will be with you ASAP. If the door is not opened within a few minutes, please knock on a window to the dance rooms and one of the teachers will let you in. Please be patient if you are late, as the teacher may be in the middle of running a combination or dance.

-Water is the only drink that should be brought in the studio for the health and safety of the dancers and the cleanliness of the studio. No Food or Drink should be in the dance rooms and ALL FOOD should be disposed of in trash cans. Drinks should be poured out prior to throwing them in the trashcans.

-Students are expected to be respectful, not hang on bars, follow instructions and treat each other kindly. They should act in a Safe, Respectful and Responsible manner at all times.

-Any concerns should be discussed directly with the Instructor of that class. Mary may be called if needed at 919.778.0888. Please schedule conferences, as impromptu conferences will disrupt classes. Peggy 919.580.7782, Meagan Sutton 919.440.9255, Lauren Coston 410.596.8957, Kelly Fritzing 216.798.7346.

-No smoking on the premises to promote healthy lifestyles and so dancers are not exposed to second hand smoke.
