
Tuition Schedule 2018-2019

For Goldsboro School of Ballet, Inc.

Tuition is to be paid by Direct Payment, (see flyer to sign up), check, cash, VISA or MASTERCARD (credit or debit). We encourage all families to sign up for Direct Payment. Tuition is due the 1st class of each month, no later than the 10th of that month. \$15.00 is automatically added to tuition after the 10th of the month to the account. **This overdue fee will continue to accumulate for each month that rolls over.** If an account gets more than 2 months overdue a conference with the family will be required for the dancer to be allowed in class. If an account is over \$300.00 due, it will be turned over to a collection agency. Please, understand your child's costume will be withheld if the account is overdue. **If a child quits class, the present month and the next month tuition will be due.** This is so replacement in that class can be found. **All funds are non-refundable, including costume fee and recital fee!!**

☺ Recital Fee is \$50.00 per family due February 15, 2019.

☺ Costume Deposit: Child Sizes \$75.00 Adult Sizes \$95.00. One costume per art, not including Tap, Pointe, or Pre-Pointe as we use class leotard/skirt. Due October 15th 2018. **If not paid by November 1st a costume will NOT be ordered!** **A late fee of \$30.00 will be added if ordered late, and if available!**

☺ *Second child in family receives 25% discount; third child 35% discount; fourth child 50%.

☺ Tuition will cap out at \$250/month! If your tuition is greater than \$250, then your tuition will be readjusted to \$250/unlimited. The 2nd Child would be unlimited 25% off the \$250. I.e. A family of 2 that reaches the \$250 max would pay \$437.50 (That could be a savings up to \$246.50.)

Tuition Fees

You may elect to pay monthly, semester or annually. Annual Fees are due by July 15, 2018 and are figured at a 10% savings as a "thank you" to those who can do this and help us get the new School year generated once again. Semester Fees are due July 15, 2018 and December 15, 2018 at a new savings of 5% for this year, also as a "thanks" for helping us to get started back up again. Payment for Monthly rate is due on the first class of each month. **(If a Holiday falls on the 1st class of the month the payment should be made the last class of the previous month or mailed in. Post dated checks will be accepted in this scenario.)**

All annual payments after July 15 will be refigured at 7% savings, payable until August 15th; Semester payments after July 15th will be refigured at 3% savings, until August 15th.

Start with the longest class at regular price, then all additional classes use the add on price to figure your tuition!
