

Dear School of Goldsboro Ballet Families,

We would like to welcome back all of our dancers and their families to the 2018-2019 Dance Season. We hope you have had a wonderful summer so far. Our training classes will resume on August 13, 2018. We have enjoyed having our June Summer camps, watching our students grow and build friendships. We look forward to seeing them again in July as we continue to see their technique develop and blossom. If you have not registered for July camp and would like to, please call, text or email us to see if there is still room in the camp. All Camp Registration forms and contact information is available on our website at www.goldsboroballet.com

There have been many changes happening at the studio the last few months and we are excited to share them with our Dance family. Mary and Craig have bought the business from Mr. & Mrs. Wingate, Mrs. Wingate will still be teaching, and she will continue to serve as Director of Goldsboro Civic Ballet. Our staff is expanding to offer more opportunities for the dancers to develop. Grace Louise who has recently moved to Goldsboro after studying in NY and LA. We welcome home our honorary members Kristin Limbaugh and Meagan Sutton. Continuing to serve you are Kelly Fritzingler, Mary Franklin and Peggy Wingate. Unfortunately, Debbie's husband took a job in Las Vegas and she will be moving sometime in December. She has been such an asset to our studio and we are so thankful she is helping us to get the year going and for all that she has done!

We have enclosed a copy of your child(ren)'s class schedule. If there is a class missing that your child would like to take or a class that you had not planned on taking, please let Debbie know as soon as possible. The welcome letter shows your monthly, semester or annual rates. Our Annual (10%) and Semester (5%) rates are at the discounted price until July 15th. After the 15th the discount will be 7% for Annual and 3% for Semester. We would like everyone to pay tuition through Direct Payment. This helps us to stay on budget and eliminates the possibility of our customers forgetting to pay monthly, therefor incurring a late fee. The form to sign up for Direct Payment is included.

We have added Modern and Hip Hop to this year's schedule, for Support and older. We are also adding an additional Technique Ballet class for Company and Apprentice on Friday evening. Please let us know as soon as possible if you would like to take any of these classes.

Your School of Goldsboro Ballet calendar and a Goldsboro Civic Ballet calendar if applicable are all included. Please be sure to read through all of this. Especially pay attention to the class attire on the Rules form, as this will be enforced. We are going with a different company (Curtain Call) for our leotards, skirts, tights and shoes this year. You will be able to order directly from the website and have the items shipped to you, at a discounted rate. This allows you to order items when needed and not have to wait for us to get a large order together. We will also have a selection of Director approved warm-up gear, that can be personalized with the dancer's name and the studio logo, to be worn before class starts or before rehearsals. We are no longer allowing shorts of any kind in classes, you have the choice of black leggings or black tights to wear during Jazz and Tap. We will have sizing kits available for Ballet, Tap and Jazz shoes available in the office, those will be available during the July summer camps.
